What is important to me?

- My children
- Supporting my youngest son on his journey to university and my older son to achieve his goals and reaching his full potential
- Spending time with my friends whether it is for a coffee or a night out on the town
- Having time to myself to be able to relax
- Reading a good novel especially thrillers and real life murders
- I like to have my phone to hand all the time
- Enjoying a good laugh and having a good time with a cocktail or two
- Enjoy being pampered

How to support me in my role

- Things to be explained in such a way that I understand
- Visual prompts are useful for me
- I like to be given notice of dates and times of meetings and training so I can schedule my time
- Allow time for me to process information
